Re: Equitrans L.P.
H-527 Summit Pike Fork Tap

Doddridge County Commission,

On behalf of Equitrans L.P. (EQT), Dawood is submitting this letter pursuant to the requirements of the Doddridge County Floodplain Ordinance to request concurrence to complete a project in Doddridge County, West Virginia. EQT is proposing a 12-inch tap on the existing 16-inch H-527 pipeline. The tap will be installed within a 100'x100' workspace within the existing pipeline ROWs and utilizing an existing access road. The approximate location is 39.36408, -80.63493, 2 miles southeast of Center Point, along Country Route 7. Please see the attached project location map.

EQT intends to use the existing access road to enter the project site. During the course of this project, no fill material will be added to or removed from the floodplain area.

On behalf of EQT, Dawood is requesting your concurrence to begin construction of the H-527 Summit Pike Fork Tap. Please feel free to contact Marcus Cope with Dawood at 724-749-4694 or mcope@dawood.cc, or Megan Stahl with EQT at 412-553-7783 or MStahl@eqt.com, should you have any questions or comments.

Respectfully submitted,

Marcus J. Cope, PE
Project Engineer
