**RE: *Doddridge County Floodplain Permit
Diocese of Wheeling-Charleston
Nazareth Farm Box Culvert
Doddridge County, West Virginia
Thrasher Project #101-030-2653***

Mr. Wristen:

On behalf of the Diocese of Wheeling-Charleston (Diocese), The Thrasher Group, Inc. (Thrasher), is submitting to your office a project review request and Stream Activity Application for the proposed Nazareth Farm Box Culvert Project. The proposed project is located in the USGS Center Point 7.5 minute quadrangles of Doddridge Counties, WV at approximate coordinates 39.379433° N, 80.640665° W.

The proposed Nazareth Farm Box Culvert Project has no proposed construction activities within the 100 year floodplain.

The proposed Nazareth Farm Box Culvert Project will consist of the replacement of a failing concrete bridge with a concrete box culvert, approximately 16 x 35 linear feet (LF). The existing bridge and its concrete buttresses will be removed and replaced with a concrete box culvert resulting in disturbance to Little Battle Run. The limit of disturbance (LOD) for the proposed project contains approximately 0.013 acres.

Thrasher staff identified one (1) stream (Little Battle Run) and zero (0) wetlands during field investigations. The existing bridge and its buttresses will be removed and replaced with a 16 x 35 LF concrete box culvert. The proposed box culvert will be constructed in the same location as the existing structure, minimizing impact. The attached delineation mapping depicts all findings associated with the proposed concrete box culvert.

The USGS topographical map, aerial imagery map, FIRM map, and WV Flood Tool Map contained herein depict the proposed limits of disturbance associated with the proposed construction. No construction is proposed in the flood plain; therefore, no fees are associated with this permit.
