Mr. Bo Wriston
Doddridge County Floodplain Manager

RE: Structure No. SS09-18-15.01
Douglascamp Run Drainage Structure
Doddridge County

Dear Mr. Wriston,

Enclosed is a copy of the preliminary plan and elevation view along with the location maps and FEMA map for the above-mentioned project. The project will consist of pouring a scour apron on the downstream side of the structure. New headwalls will be poured on both the upstream and downstream sides of the structure. Minor patching of the concrete box culvert will also be completed. The project is located in Doddridge County, West Virginia FIRM panel 140 of 325, Map Number 54017C0140C. As shown on the map, the project is in Zone A.

Please review this project for any FEMA concerns that you may have and return a letter verifying that it will not impact a regulatory floodway, a NFIP community or other FEMA regulations. Please contact me if you have any questions or need any additional information.

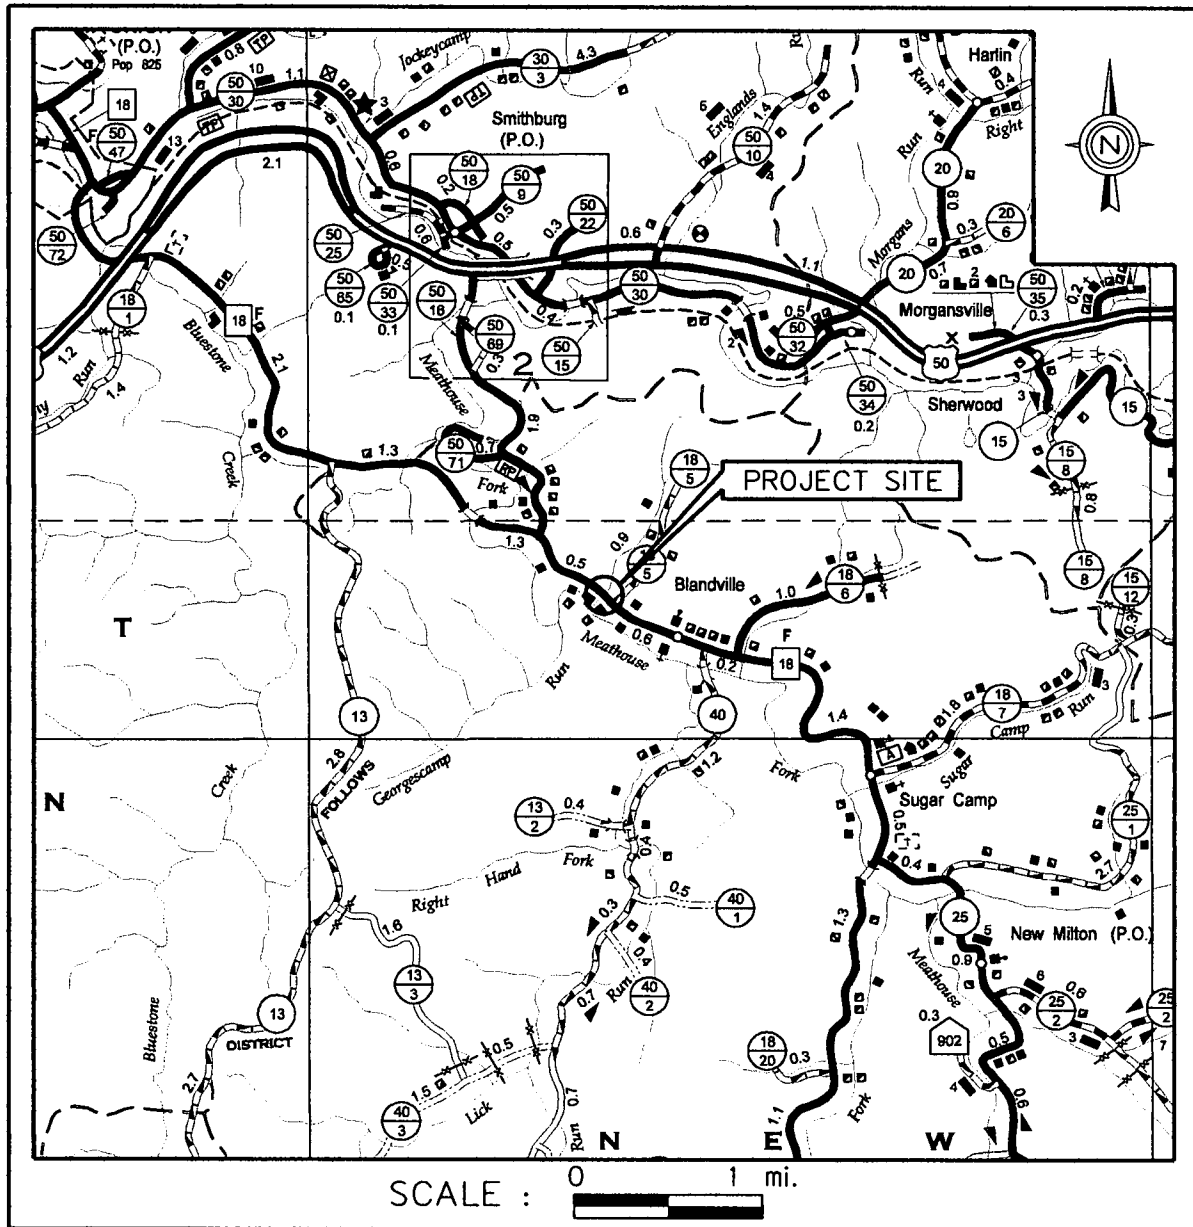

Sincerely,

A handwritten signature in cursive script that reads "Scott Blosser".
