**RE: Hope Gas Inc.
Floodplain Permit
REPL-SUNNYSIDE RD-M1657-P401961348**

MAR 20 '25 AM 10:39

Dear Mr. Eidel:

Hope Gas, Inc. (Hope Gas) requests an additional floodplain determination for our proposed REPL-SUNNYSIDE RD-M1657-P401961348 Pipeline Project (Project). The project was previously permitted under Permit # 23-642. Delays in construction have pushed the estimated start time past the permit expiration date, and the period of construction is expected to extend beyond a 90-day extension.

This project will replace approximately 3,500 linear feet of natural gas pipeline within an existing right-of-way (ROW), in Doddridge County, West Virginia (WV). The western terminus of the permanent ROW and temporary easement(s) begins approximately 540 feet Southeast of the intersection of Yeagers Run with Sunnyside Road. The ROW proceeds south for approximately 3,000 feet to its terminus. The latitude and longitude coordinates for the approximate Project area center point are 39.274885°N, 80.895805°W.

We have enclosed a copy of the erosion and sediment control plan and a Floodplain Determination application. Please note that it is our contention that the project is located within the floodway of Dotson Run and that it will not increase the flood potential of Dotson Run (no net fill).

The cost of the project is estimated at \$385,000. The estimated start date is March 1, 2025. Please forward your response at the earliest possible convenience to the attention of Tyler Spear, Hope Gas, Inc., 179 Innovative Drive, Jane Lew, WV 26378.

If you have any questions, please contact Tyler Spear at (304) 904-6091 or at tyler.l.spear@hopegas.com.

Sincerely,

Joseph A. Giompalo
Environmental Compliance Manager

Doddridge County, WV

Floodplain Development Permit Application

This document is to be used for projects that impact/potentially impact the FEMA---designated floodplain and/or floodway of Doddridge County, WV pursuant to the rules and regulations established by all applicable Federal, State and local laws and ordinances, including the Doddridge County Floodplain Ordinance.

SECTION 1: GENERAL PROVISIONS (APPLICANT TO READ AND SIGN)

1. No work may start until a permit is issued.
2. The permit may be revoked if any false statements are made herein.
3. If revoked, all work must cease until permit is re-issued.
4. The permit will expire if no work is commenced within six months of issuance.
5. Applicant is hereby informed that other permits may be required to fulfill local, state, and federal requirements.
6. Applicant hereby gives consent to the Floodplain Administrator/Manager or his/her representative to make inspections to verify compliance.
7. I THE APPLICANT CERTIFY THAT ALL STATEMENTS HEREIN AND IN ATTACHMENTS TO THIS APPLICATION ARE, TO THE BEST OF MY KNOWLEDGE, TRUE AND ACCURATE.

Site Plan

A Site Plan is an accurate and detailed map of the proposed development for this project. It shows the size, shape, location and special features of the project property, and the size and location of any development planned to the property, especially as that development will impact the floodplain and/or floodway. Site plans show what currently exists on the project property, and any changes or improvements you are proposing to make. **A certified and licensed engineering firm should complete site plans.**

A SITE PLAN MUST CONTAIN THE FOLLOWING INFORMATION:

1. Legal description of the parcel, north arrow and scale
2. All property lines and their dimensions
3. Names of adjacent roads, location of driveways
4. Location of sloughs, tributaries, streams, rivers, wetlands, ponds, and lakes, with setbacks indicated, and including FEMA floodplain data based on most updated FIRM.
5. Location, size, shape of all buildings, existing and proposed, with elevation of lowest floor indicated.
6. Location and dimensions of existing or proposed on-site sewage systems.
7. Location of all propane tanks, fuel tanks or other liquid storage tanks whether above ground or below ground level.
8. Location and dimensions of any proposed pipeline placement(s) into floodplain/floodway.
9. Location and dimensions of any roadway development into floodplain/floodway. *(Includes initial development access roads)*
10. Location and dimensions of any bridge and/or culvert development into floodplain/floodway.
11. Location and dimensions of any storage yard or facility into the floodplain/floodway.
12. Location of any existing utilities and/or proposed utility placement and/or displacement.
13. Location, dimensions and depth of any existing or proposed fill on site.
14. A survey showing the **existing ground elevations** of at least location on the building site. **ELEVATION NOTE:** All vertical datum will reference either NGVD 29 or NAVD 88. Assumed datum will not be acceptable unless the property is located in an area where vertical datum has not been published. For those areas where vertical datum has not been established, a site plan with contours, elevations using assumed datum, high water marks and existing water levels of sloughs, rivers, lakes or streams and proposed lowest floor elevation.

Applicant

Please read print name, sign and date below:

- I certify that I am authorized to submit this application for the primary project developer.
- I certify that the information included in this application is to the best of my knowledge true and complete.
- I certify that all required Federal, State, and local permits required by law and/or ordinance for the above described development of this project have will be properly attained, are current and valid, and must be presented prior to a Doddridge County Floodplain Permit being issued.
- I understand that if in the course of the development project additional permits become required that were not needed during the initial proposal, the primary developer must notify the Doddridge County Floodplain Manager within 48 hours of such need, and that a "Stop Work" order may be issued for all project work directly impacting the floodplain or floodway, until such time the required additional permits are acquired.
- I understand that once the floodplain permit is submitted, the application will be entered into official public record at the next regularly scheduled Doddridge County Commission meeting after the date of submittal.
- I understand that from the date of submittal of the fully completed permit application, the Doddridge County Floodplain Manager has ninety (90) days to make a determination to either grant or deny said permit application. During this approval period, the Doddridge County Floodplain Manager may, at his or her discretion, conduct a review and/or additional study of provided documentation by means of an independent engineering firm. All costs associated with said review and/or study must be reimbursed to the County before issuance of approved permit.
- I understand that during the approval period, the Doddridge County Floodplain Manager or designee may at his or her discretion conduct site visits and document conditions of proposed development pursuant to the permit application.
- I understand that once the Floodplain Permit is granted, the permit will be entered into official public record. Appeals to the permit may be made no later than twenty (20) days after said issuance. If a valid appeal is submitted, as determined by the Doddridge County Floodplain Manager, a "Stop Work" order will be issued for all project development directly involving the floodplain or floodway. A public hearing by the Doddridge County Appeals Board will be scheduled no less than ten (10) days after the next regularly scheduled Doddridge County Commission meeting.
- I understand that all decisions of the Doddridge County Appeals Board shall be final.
- **I understand issuance of a Floodplain Permit authorizes me to proceed with construction as proposed.**
- In signing this application, the primary developer hereby grants the Doddridge County Floodplain Manager or designee the right to enter onto the above---described location to inspect the development work proposed, in progress, and/or completed.
- I understand that if I do not follow exactly the site---plan submitted and approved by this permit that a "Stop Work" order may be issued by the Doddridge County Floodplain Manager and that I must stop all construction immediately until discrepancies of actual work vs. proposed work is resolved.

Morning George,

Kelly from D&H indicated she's trying to submit payment electronically, if that doesn't work, check is being mailed out.

Thanks,

Tyler,

Do you have copies of D&H's check? I cannot find it. How much was the check for?

From: Tyler Spear <tyler.l.spear@hopegas.com>

To: George Eidel <geidel@doddridgecountywv.gov>
Subject: RE: [EXTERNAL] RE: Flood Permit Mix-up

Both projects were submitted separately. Thrasher submitted Right Fork and D&H submitted Sunnyside. Both had their own checks for permit fees.

If you could, that would be great!

No worries on the mix up. Appreciate you working with me.

Thanks,

Ok, did you send the Sunnyside separately? I remember them coming and since they were in the same general area of the county I thought you had just sent a second copy. Were the fees for both combined on one check? As I only got one for fees. I can do a second permit and send it to you. It will be some time this afternoon. So sorry for the mix up.

Subject: Flood Permit Mixup

Morning George,

We have kicked off one project and starting another today. Looking at the flood permit extensions that you gave me and my consultants, they are the same documents. I have attached the two approvals that were given to me, they both say the same thing, however these are for different projects.

It looks like I am missing the flood approval for Sunnyside. I did attach the approval that I got initially for Sunnyside and it doesn't match any of the extensions that I have currently. Could you please send me that so I can have it for construction?

Thanks,

ASAP if possible. We did the precon for this job and planning to start in the next day or so.

If you can send me the PDF, I will get to my ECC to put in our permit binder and have a copy posted with our NPDES public notice sign.

Certified Mail service provides the following benefits:

- A receipt (this portion of the Certified Mail label).
- A unique identifier for your mailpiece.
- Electronic verification of delivery or attempted delivery.
- A record of delivery (including the recipient's signature) that is retained by the Postal Service™ for a specified period.

Important Reminders:

- You may purchase Certified Mail service with First-Class Mail®, First-Class Package Service®, or Priority Mail® service.
- Certified Mail service is *not* available for international mail.
- Insurance coverage is *not* available for purchase with Certified Mail service. However, the purchase of Certified Mail service does not change the insurance coverage automatically included with certain Priority Mail items.
- For an additional fee, and with a proper endorsement on the mailpiece, you may request the following services:
 - Return receipt service, which provides a record of delivery (including the recipient's signature). You can request a hardcopy return receipt or an electronic version. For a hardcopy return receipt, complete PS Form 3811, *Domestic Return Receipt*; attach PS Form 3811 to your mailpiece;

for an electronic return receipt, see a retail associate for assistance. To receive a duplicate return receipt for no additional fee, present this USPS®-postmarked Certified Mail receipt to the retail associate.

- Restricted delivery service, which provides delivery to the addressee specified by name, or to the addressee's authorized agent.
- Adult signature service, which requires the signee to be at least 21 years of age (not available at retail).
- Adult signature restricted delivery service, which requires the signee to be at least 21 years of age and provides delivery to the addressee specified by name, or to the addressee's authorized agent (not available at retail).
- To ensure that your Certified Mail receipt is accepted as legal proof of mailing, it should bear a USPS postmark. If you would like a postmark on this Certified Mail receipt, please present your Certified Mail item at a Post Office™ for postmarking. If you don't need a postmark on this Certified Mail receipt, detach the barcoded portion of this label, affix it to the mailpiece, apply appropriate postage, and deposit the mailpiece.

IMPORTANT: Save this receipt for your records.
